Dear Confirmation Student!

Such a great thing, that you get to be part of KV74-camp! We welcome you to the Activities Centre of Partaharju on Sunday July 18th. Please, make sure that you arrive between 11.30 and 1 pm. This letter contains all the information needed concerning your stay at Partaharju. Please, make sure that your parents see this letter also. There is lots of information for them, too! By the rules of Covid-19 in Pieksämäki can gather together inside houses max. 50 persons (this is updated on June 17th). This is why at the moment we have to plan that the Confirmation training group is divided into two groups. If this will change in July, we'll let you know.

Arriving to Pieksämäki and Partaharju

Everybody takes care of their own travelling arrangements. Busses and trains stop at Pieksämäki, from where it is easiest to take a taxi to Partaharju. The distance between these two places is about seven (7) kilometres.

Ready, set, go!

We start the camp program at 1 pm. Lunch is served from noon to 1 pm (this is including the Confirmation payment). If the parents or relatives will have lunch, you need to order it beforehand. Cost is 11 euros for adults and 8 euros for children between 3-12 yrs. If you like to hire bed linen and towels you can do it for 10 eur/package.

Confirmation day in Partaharju on Tuesday July 27th

We'll welcome your parents, relatives and friends to the Confirmation day in Partaharju.

The timetable of the day is following:

Group A:

- 11:30 they will have Lunch at Partaharju main building and yard outside.
- 13:30 starts Confirmation Mass and camp closing ceremony at amphitheater

Group B:

- 11:30 starts Confirmation Mass and camp closing ceremony at amphitheater
- 13:30 they will have Lunch at Partaharju main building and yard outside.

Please notice that the lunch is served (12 /8 euros) also for your guests to enjoy. *Please let Partaharju staff know the amount of the guests and also their food allergies and diets with a Participant card.*

Confirmation takes place at the **Partaharju activities Centre** outside under bare sky at the amphitheatre (there is lots of space, up to 3000 to be safe at this Covid-19 time). The Mass and closing ceremony will last somewhat an hour. You will walk to the amphitheatre in 10 - 15 minutes from the Partaharju parking slot. The way there is unobstructed, so you can quite easily manage e.g. with a wheelchair. The Mass is going to be streamed online (website address will be informed later).

At the Confirmation, you'll wear a white dress, an alb. It reminds us of the white baptism dress, which we wore when baptised as babies. The Alb is long, nearly to your ankles. It is also made from thin fabric. Knowing this, it would be a good idea to try to wear some sober colours under the alb. Please, choose the socks and shoes

you're planning to wear carefully too. (High heels are not a very good option for walking on the sand road to the amphitheatre.)

When planning your baptism, your parents asked godparents to be the Christian guides for you. Your baptism goes together with your confirmation. In baptism your parents brought you before God and the pastor blessed you. Your confirmation has many similar elements to that. You can stand before God yourself, say the Creed and take a blessing. The blessing means that we pray for God's mercy, love and kindness to your life now and in the future. Please ask one godparent or relative to bless you at the Confirmation together with the teachers.

The group photo

A Photographer will take a group photo of our camp members on the morning of the Confirmation day in Partaharju. *You may claim the picture before and after confirmation in Partaharju for the price of 20 euros.* If you wish to have a picture from your YCV (Young Confirmed/Church Volunteer) ("biggies") or small group too, the prize is 25 euros, all three pictures are 30 euros. (The photographer can also take some portraits of you. She'll make a popup studio at Partaharju, and photos are taken after Mass. Filming and one file 50 euros and additional photo 20 euros. Registration beforehand katrievauhkonen@gmail.com or +358504009575.). You can pay with cash or card.

Our camp life

I enclose a list of things that make your life at the camp easier (the last page of the participant card). Please consider what else you might need, of course the list is somewhat general. The most important things you'll need that are connected to the confirmation training are the Bible, the **New International version** or **Finnish Bible year 1992** (or some other language you prefer), a pen and a notebook. Please, remember to take with you the "Participant Card" and the paper that'll testify that you've taken part in your parish life during your confirmation training. Please answer within a week to following query of teaching language and Confie-book

language <https://urly.fi/24MA>

We spend a lot of our time outdoors doing different activities or just hanging out. Partaharju gives us a great setting for example playing football (soccer), Frisbee-golf etc. Comfortable and proper shoes (f. ex. trainers) and some rainwear can be good to take with. You can bring your mobile or tablet. However, you cannot use them always during a shared program and notice that **your own things are your responsibility at camp. We don't have locked cupboards for you.** We decided with your parents that the biggie is collecting all the cell phones in a box for the night. They are giving them back in the morning. Please remember rules on the internet, especially sending photos into different programs. Some campers will not give permission to use their photos.

Alcohol and intoxicants are strictly forbidden. Buying cigarettes is forbidden in Finland when you're less than 18 years old, so our camp is smoke free. Also snuff and electronic cigarettes are forbidden. If you know that it will be difficult for you to be without smoking, please contact me and your parents beforehand and discuss how you will deal with the issue during the camp (e.g. take care of starting nicotine replacement therapy in time before the camp). Energy Drinks are also not allowed.

Allergies, diets and medicine

Please let Partaharju staff know about your food allergies and diets Fulfil this form latest 28.6.2021 <https://urly.fi/24MD> Your allergies, illnesses and medications are asked for in the Participant Card. Please, write them down carefully. We collect the forms when you arrive at the camp. All the information given by you is confidential.
